12 Case No. 12-cv-05501-SI

13 **ORDER RE: MOTIONS TO SEAL**

14 Re: Dkt. Nos. 236, 238

15 On April 24, 2015, the Court granted in part and denied in part the parties motions to seal  
16 twenty-nine separate documents. Docket No. 231. In its order, the Court denied the parties'  
17 motion as to three documents, and provided specific reasons as to why each document was not  
18 sealable. The Court also ordered four documents stricken and refiled as they contained redacted  
19 portions that did not match the redactions referenced in the supporting declarations. *Id.* The parties  
20 now renew their motions to file under seal in light of the Court's prior order.

21 The Court finds that the parties have adequately remedied the defects outlined in the  
22 Court's prior order, and therefore **GRANTS** their motions to seal.

23 **IT IS SO ORDERED.**
